

HME serves our growing Vancouver Island customers centrally from our 7,000 SF location in downtown Victoria, BC on government street. With over 1,500 SF showroom, we have the largest showroom on Vancouver Island, with scooters, wheelchairs, beds, stairlifts, walkers and other products on display. Our trained and knowledgeable HME staff are available to tailor your shopping experience to meet your needs. Our showrooms are relaxed environments designed to provide a positive and helpful experience to our customers. Our HME Victoria location serves most of Southern Vancouver Island – if you're unable to make it into the showroom but you're interested in a particular location please let us know.
